Queue according to new hospital rules.

備註:

- 門診掛號票上顯示“預約報到時間段”;
- 準時報到者,按輪候號大小順序排列;
- 遲到報到者,系統將會自動重新排序;
- 輪候隊列呈現動態變化。

1. The appointment time will be shown on the outpatient department's appointment ticket.
2. Patients who are on time for their appointment will be arranged in order according to their appointment ticket.
3. Patients who are late for their appointment will be automatically rearranged by the hospital appointment system.
4. The waiting list in display will be in dynamic changes.
